VERIFIED SUPPORTING EXHIBITS PR-A THROUGH PR-G

Authenticated under 735 ILCS 5/1-109

Authentication under 735 ILCS 5/1-109

I, Ehab Allababidi, Plaintiff, pro se, certify under penalties as provided by law pursuant to section 1-109 of the Code of Civil Procedure (735 ILCS 5/1-109) that the documents assembled behind Exhibits PR-A through PR-G, are true and correct copies of the records and papers they purport to be. Exhibit PR-A is correspondence transmitted to me and reproduced entire, including my own messages. Exhibit PR-B is my own declaration executed this date, which states on its face which paragraphs rest on my observation and which rest on information whose source it names. Exhibit PR-C is a public record of the Lake County Sheriff's Office. Exhibit PR-D is a request I sent. Exhibits PR-E and PR-G are, respectively, an order served on me and a notice transmitted to me by the electronic filing manager. EXHIBIT PR-A

ELECTRONIC MAIL OF THE COURT'S JUDICIAL LAW CLERK, AUGUST 12, 2026, 1:57 P.M., AND THE THREAD IT CLOSES

WHAT THIS EXHIBIT ESTABLISHES

The disposition this motion is addressed to, and the entire record of it. Produced whole so that the Court reads the thread rather than the movant's account of it, including the movant's own e-mails, which are not flattering to him in every particular and are reproduced without excision.

VISIBLE ON THE FACE OF THE DOCUMENT

- August 12, 2026, 1:57 p.m., from Harrison R. Powell, Judicial Law Clerk: **"The Court finds no present emergency in the unfiled Motion provided in the email below."** And: "Allababidi v. City of Park Ridge is next up on September 2, 2026, at 9:30 AM."
- August 7, 2026, 10:25 a.m., chambers: **"the Court will conduct both the scheduled Status Hearing and the Motion for Leave presentment at 9:30 AM on Tuesday, August 11, 2026."**
- August 11, 2026, 10:58 a.m., Maulik Sharma of Ancel Glink, P.C.: "Please see attached proposed order following this morning's appearance."
- The thread is copied throughout to **asimon@ancelglink.com** (Adam B. Simon), rhoban@ancelglink.com, jtappendorf@ancelglink.com, and to counsel at rfclaw.com.

HOW THIS EXHIBIT FITS THE RECORD

The movant does not assert that the message of August 12 was improper in any way. He asserts only what it is not: it is not a written order, it is not signed by the Court, and it was not entered of record. That is the premise of Part II and it is a statement about the document, not about its author.

Re: Status Hearing + Motion Hearing — Allababidi v. City of Park Ridge, No. 2025 CH 12908 — August 11, 2026

Calendar 5 Chambers and Counsel:

Attached are courtesy copies of the exact documents submitted through Illinois eFileIL today:

1. Plaintiff's Emergency Motion to Disqualify Ancel Glink, P.C.;
2. Verified Declaration of Ehab Allababidi;
3. Proposed Order;
4. Notice of Filing and Proof of Service;
5. Exhibit Packet A–U, Bates PR-000001 through PR-000078; and
6. SHA-256 Integrity Manifest.

The Clerk has not yet accepted or endorsed the submissions. I will circulate the clerk-endorsed copies in this same thread when they are returned.

Plaintiff respectfully requests that Calendar 5 advise whether the Court can hear the filed emergency motion at its earliest available emergency slot—preferably on August 12, 13, or 14, 2026—and, if so, at what time and by what remote credentials.

The request is emergency in substance, not merely in caption.

On August 7, chambers expressly directed that both August 11 matters would be conducted at 9:30 a.m. The order subsequently prepared by Mr. Sharma nevertheless recites that the Court waited until 10:10 a.m. for a 10:00 a.m. motion call. Forty-eight minutes later, at 10:58 a.m., Mr. Sharma transmitted a proposed order containing a new dismissal-for-want-of-prosecution condition.

That proposed condition omitted that Plaintiff had personally noticed the motion for the exact setting, had filed the Motion for Leave to Amend nineteen days earlier, had tendered a complete amended complaint and alias-summons order, and had continued prosecuting this action throughout the intervening period. Counsel had those materials. Their client had taken no position on the motion. Yet the proposed order transformed one missed appearance into a potential adjudicative weapon while leaving the pending motion and unissued summons untouched.

The emergency motion also presents the Court with a documented institutional conflict requiring prompt examination. Lake County's warrant record identifies the Lincolnshire Police Department as the issuing agency. Ancel Glink partner Adam B. Simon is Lincolnshire's Village Attorney. Lincolnshire separately disclaimed involvement in writing. The filed record presently identifies no validation request, correction request, recall request, or other documented effort through that direct municipal channel before Ancel Glink used Plaintiff's resulting nonappearance to seek a dismissal condition.

Counsel found forty-eight minutes to draft a mechanism threatening dismissal. The record identifies no time during the warrant's seventy-five active days for one documented validation inquiry through their own partner and municipal client. That contrast is not rhetoric. It is the documented conduct the emergency motion places before the Court.

Every affected attorney is copied. Counsel will have a full opportunity to answer the motion on the record. What should not occur is for paragraph 5 to remain operative until September 2 while the alias summons remains unissued, the Motion for Leave remains undecided, the conflict questions remain unanswered, and potentially responsive records remain subject to ordinary deletion or retention practices.

Plaintiff is not requesting a merits ruling by email. He requests only administrative confirmation of receipt and direction concerning the earliest emergency hearing. If the Court prefers a limited threshold presentation, Plaintiff is prepared initially to address only:

1. vacatur or suspension of the dismissal-for-want-of-prosecution condition;
2. preservation of the identified records; and
3. verified conflict disclosures, with disqualification and the remaining relief reserved for further hearing.

Document 06, the Litigation Hold and Conflict-Disclosure Demand, is not attached to this chambers transmission because it is being served separately and directly upon counsel, consistent with the filed Notice.

Please confirm receipt and advise whether Calendar 5 can accommodate the emergency presentation on or before August 14, 2026.

Respectfully,

EXHIBIT PR-B

VERIFIED DECLARATION OF EHAB ALLABABIDI, AUGUST 13, 2026 — THE ATTEMPTED EXECUTION OF WARRANT NO. 314270 AT HIS RESIDENCE AT APPROXIMATELY 3:00 P.M. THIS DATE

WHAT THIS EXHIBIT ESTABLISHES

*The changed circumstance. It arose **after** the finding of August 12, 2026 and could not have been considered when that finding was made. It is the whole of the movant's claim that the posture of this case is materially different today than it was yesterday.*

VISIBLE ON THE FACE OF THE DOCUMENT

- At approximately **3:00 p.m. on August 13, 2026**, officers came to the door of the movant's residence and asked for him by name.
- He **was not there**, and the declaration says so on its face. The events at the door are stated on information and the declaration names its source.
- The doorbell camera was not charged. **No recording exists**, and the declaration states that rather than leave it to be discovered.
- The declaration states expressly that **no officer is alleged to have done anything improper** and asks no court to find otherwise.

HOW THIS EXHIBIT FITS THE RECORD

Filed in identical form this date in the Appellate Court of Illinois, Second District, No. 2-26-0352, and in the First District, No. 1-26-0055, so that the three courts before which this fact matters have one set of words between them.

SOURCE AND AUTHENTICATION

SOURCE	Declaration of the movant under 735 ILCS 5/1-109
PAGES	Complete document
AUTHENTICATION	Certified by Plaintiff under 735 ILCS 5/1-109 as a true and correct copy of the identified record.

VERIFIED DECLARATION OF EHAB ALLABABIDI

735 ILCS 5/1-109 · concerning the attempted execution of Lake County Warrant No. 314270 at 8516 West Winona Street, Chicago, on August 13, 2026

I, EHAB ALLABABIDI, declare under penalties as provided by law pursuant to section 1-109 of the Code of Civil Procedure (735 ILCS 5/1-109) that the following statements are true and correct, and that as to any statement made on information rather than on my own observation, I have identified the source of the information on the face of the statement and I believe it to be true.

The warrant, and its identifiers

Subject	Ehab Allababidi, DOB 09/24/1996
Case	Lake County No. 23 CF 1146 / 23CF00001146
County warrant	Lake County Sheriff's Warrant No. 314270 , issued May 28, 2026
State warrant	No. W26F4152
ORI identified	IL0492900 — identified to me as the Lincolnshire Police Department; authoritative confirmation requested and not yet received
Holding agency	Lake County Sheriff's Office, ORI IL0490000
Residence	8516 West Winona Street, Chicago, Illinois 60656

What I state of my own knowledge

- I reside at 8516 West Winona Street, Chicago, Illinois 60656. I have resided at that address at all times relevant to this declaration, and it is the address that appears against my name on the Lake County Sheriff's public Active Warrant Report.
- On August 13, 2026, at approximately 3:00 p.m., I was not at that residence.** I did not personally observe what occurred there at that time, and I do not state that I did.
- The video doorbell at the residence was not charged on August 13, 2026 and did not record. **No recording of the events described below exists**, and I state that here rather than leave the absence of a recording to be discovered.
- As of the date of this declaration the warrant identified above remains active. I have not been taken into custody on it, and no court has recalled or quashed it.
- The ORI **IL0492900** has been identified to me in connection with this warrant record. **I do not have, and do not here assert, an authoritative record from the Illinois State Police or any other agency establishing which agency entered or maintains the entry.** I requested exactly that from the Illinois State Police on July 29, 2026 and have not received it.
- I have never been served with, and have never seen, any document from any agency notifying me that the warrant was to be executed, withdrawn, validated, corrected, or cancelled.

What I state on information, and the source of that information

The following is not stated on my own observation. It is stated on the report of an adult member of my household who was present at the residence on August 13, 2026 and who described the events to me afterward.

I identify the basis so that the Court and any opposing party can weigh it accordingly, and I am prepared to make that person available to the Court.

6. At approximately **3:00 p.m. on August 13, 2026**, one or more law enforcement officers came to the door of the residence at 8516 West Winona Street.
7. The officers asked for me by name.
8. I was not present, and the person present so advised them.
9. The officers did not enter the residence, and no one at the residence was taken into custody.
10. I am not able to state, and do not state, which agency the officers were from, whether they were in uniform, what vehicle they arrived in, or what unit they were assigned to. **I do not know those facts and I will not guess at them.** They are precisely the facts that the records requests served this date are directed at obtaining.

The one inference I do draw, and the basis for it

I draw one inference and I state the basis for it rather than assert it. The warrant identified above has been outstanding since May 28, 2026 and appears in the Illinois LEADS system and in NCIC. My name, date of birth, and **this street address** are published against that warrant on the Lake County Sheriff's public Active Warrant Report, which I have previously reproduced and served on that Office. An officer who came to this address on this date asking for me by name did so because a record system directed him to this address.

That is the significance of the event for the matters in which this declaration is filed. It is not that a single visit occurred. It is that the record entry which produced it is **still live**, and that an entering or maintaining agency can cancel such an entry administratively without any court doing anything. Until it is cancelled or the sentence is stayed, what happened at approximately 3:00 p.m. on August 13, 2026 can happen again on any day, at any hour, at the address every one of these courts uses to send me its orders.

What this declaration deliberately does not say

I do not state that any officer did anything improper. I do not state that anyone directed the attempt for any purpose connected to any of my cases, and I do not know that any of them did. I do not ask any court to find that anyone acted in bad faith on August 14, 2026. **An officer executing a facially valid warrant is doing his job.** The question this declaration is furnished to answer is not whether the officers should have come. It is whether the record entry that sent them should still exist, and which of the parties before these courts has had the power to remove it and has not.

Executed on August 14, 2026, at Chicago, Illinois, concerning events of August 13, 2026, under penalties as provided by law pursuant to 735 ILCS 5/1-109.

HOW THIS EXHIBIT FITS THE RECORD

The **agency of record on the underlying warrant entry is the Lincolnshire Police Department, ORI IL0492900**. The Village Attorney of Lincolnshire is **Adam B. Simon**, a partner of Ancel Glink, P.C., which appears in this cause for the defendant and is copied on every message in Exhibit PR-A.

EXHIBIT PR-D

ILLINOIS STATE POLICE FOIA REQUEST OF JULY 29, 2026 — THE WARRANT IDENTIFIERS, AS STATED BY THE MOVANT TO A STATE AGENCY TWO WEEKS BEFORE THIS MOTION

WHAT THIS EXHIBIT ESTABLISHES

Produced to establish that the identifiers recited in this motion are not assembled for it. The movant stated them to the Illinois State Police on July 29, 2026, before the events of August 11, 12 and 13, and they have not changed.

VISIBLE ON THE FACE OF THE DOCUMENT

- “Lake County Sheriff’s Warrant No. **314270**”; “State Warrant No. **W26F4152**”.
- “**Lincolnshire Police Department ORI IL0492900**”; “Lake County Sheriff’s Office ORI IL0490000”.
- The request seeks the **validation, correction, suspension, cancellation and quality-control** records for that warrant — that is, the administrative machinery by which a warrant entry is taken down.

HOW THIS EXHIBIT FITS THE RECORD

It is produced for Part V. A warrant entry is maintained by an agency and can be cancelled by that agency. The movant has been asking, in writing and to the responsible agencies, since July.

Subject: [External] FOIA REQUEST — Warrant 314270 / W26F4152 — Administrative Data-Quality, Validation, and Correction Records
Date: Wednesday, July 29, 2026 11:02:25 PM

Illinois State Police FOIA Officer:

Pursuant to the Illinois Freedom of Information Act, 5 ILCS 140/1 et seq., I request the specific existing records described below. This is a noncommercial request.

This request concerns the administrative data-quality lifecycle of a single warrant from May 28 through July 29, 2026. It is separate from my July 25 STIC telephony/query request and does not duplicate the July 25 call, callback, intake, or dissemination categories in that pending matter.

IDENTIFIERS

- Ehab Allababidi, DOB 09/24/1996
- Lake County case 23 CF 1146 / 23CF00001146
- Lake County Sheriff's Warrant No. 314270
- State Warrant No. W26F4152
- Lincolnshire Police Department ORI IL0492900
- Lake County Sheriff's Office ORI IL0490000

RECORDS REQUESTED

CATEGORY 1 — Administrative data-quality and validation records

Existing ISP-created or ISP-maintained records outside the substantive LEADS/NCIC return concerning the entry, review, validation, second-party verification, serious-error review, rejection, correction, modification, suspension, cancellation, or quality control of the identified warrant. This includes an existing serious-error notice, validation notice, correction notice, audit finding, help-desk or support ticket, referral, quality-control worksheet, exception report, or administrative correspondence that specifically identifies this warrant or case.

CATEGORY 2 — Responsible-agency and lifecycle metadata

Existing administrative records sufficient to identify the agency or ORI responsible for entering and maintaining the warrant record and the dates and times of entry, material modification, validation, correction, suspension, cancellation, or purge, to the extent that information exists outside exempt substantive LEADS/NCIC return content.

CATEGORY 3 — Agency correspondence concerning accuracy or correction

Existing correspondence between ISP and the responsible entering or maintaining agency concerning the accuracy, documentary support, charge description, warrant category, issuing-agency identification,

pickup or apprehension limitation, bond field, status, validation, correction, or cancellation of this specific record from May 28 through July 29, 2026.

SCOPE AND LIMITATIONS

This request does not seek a raw LEADS or NCIC printout, criminal-history return, terminal return, or the substantive restricted database fields. It seeks ISP administrative, validation, quality-control, correction, audit, and correspondence records created or maintained outside those restricted returns. If exempt LEADS/NCIC content appears within an otherwise responsive record, please redact that content and produce every reasonably segregable nonexempt portion.

This request also does not repeat the July 25 STIC request's demand for July 25 call records, query activity, dissemination, operational records, or handling of the July 21 complaint. If ISP treats a responsive document as already encompassed by the pending July 25 request, please identify that document or category and the pending tracking number rather than opening a duplicative search.

PRODUCTION AND EXEMPTIONS

Please produce responsive records electronically in native format where feasible, with useful metadata preserved. The entirety of this request appears in the body of this email; no attachment is required to understand or process it.

For each withholding or redaction, please provide a written determination under 5 ILCS 140/9 identifying the record or category, specific exemption, factual basis, responsible person's name and title, and review rights. Please produce reasonably segregable nonexempt portions.

Please preserve the specifically identified administrative, quality-control, validation, correction, and correspondence records while this request and any review remain pending. Electronic production to defcon5ready@gmail.com is requested.

Respectfully,

EXHIBIT PR-E

ORDER OF THE APPELLATE COURT OF ILLINOIS, SECOND DISTRICT, JULY 31, 2026 — THE RESTRICTION ON THE MOVANT’S ABILITY TO ACT FOR HIMSELF ELSEWHERE

WHAT THIS EXHIBIT ESTABLISHES

Produced because it bears on the movant’s capacity to protect himself, and because a court weighing whether a litigant faces an emergency is entitled to know what other instruments constrain him.

VISIBLE ON THE FACE OF THE DOCUMENT

- “Now having been appointed counsel, appellant himself **shall file nothing further with this court and shall not communicate by any means with appellee’s counsel.**”
- Entered on no motion of any party seeking either restriction, and citing no authority.
- The same order recites that counsel is “advised of appellant’s suggestion that his jail term will begin on August 6, 2026.”

HOW THIS EXHIBIT FITS THE RECORD

The movant states plainly that this order does not restrict him in **this** cause and he does not suggest that it does. It is produced to show the Court the whole of his position, which is that of a person subject to a custodial term, an active warrant, and a filing restriction in another court, appearing here for himself.

The court has this day, July 31, 2026, entered the following order in the above entitled case:

Appellant's "omnibus emergency motion" is granted as to its request for the appointment of appellate counsel, and the Office of the State Appellate Defender is hereby appointed. Now having been appointed counsel, appellant himself shall file nothing further with this court and shall not communicate by any means with appellee's counsel. Appellant's "omnibus" motion, and his other pending motions, are otherwise denied without prejudice to any motion filed by his counsel, including a motion to stay. EXHIBIT PR-F

THE MOVANT’S E-MAIL TO CHAMBERS OF AUGUST 11, 2026, 7:36 P.M., STATING THE CONFLICT AND REQUESTING AN EMERGENCY SETTING

WHAT THIS EXHIBIT ESTABLISHES

What was actually before the Court when the finding of August 12 was made, so that this motion can be measured against it and the Court can see exactly what is new.

VISIBLE ON THE FACE OF THE DOCUMENT

- It listed six documents submitted through eFileIL, including the Emergency Motion to Disqualify Ancel Glink, P.C. and an Exhibit Packet A–U, Bates PR-000001 through PR-000078.
- It stated: “Lake County’s warrant record identifies the **Lincolnshire Police Department as the issuing agency. Ancel Glink partner Adam B. Simon is Lincolnshire’s Village Attorney.** Lincolnshire separately disclaimed involvement in writing.”
- It requested a setting on **August 12, 13 or 14, 2026.**
- **It said nothing about any attempted execution of the warrant, because none had occurred.**

HOW THIS EXHIBIT FITS THE RECORD

This is the exhibit that defines the boundary of the motion. Everything in the August 11 e-mail has been ruled on. The only thing this motion adds is Exhibit PR-B, which post-dates the ruling by a day.

Re: Status Hearing + Motion Hearing — Allababidi v. City of Park Ridge, No. 2025 CH 12908 — August 11, 2026

Calendar 5 Chambers and Counsel:

Attached are courtesy copies of the exact documents submitted through Illinois eFileIL today:

1. Plaintiff's Emergency Motion to Disqualify Ancel Glink, P.C.;
2. Verified Declaration of Ehab Allababidi;
3. Proposed Order;
4. Notice of Filing and Proof of Service;
5. Exhibit Packet A–U, Bates PR-000001 through PR-000078; and
6. SHA-256 Integrity Manifest.

The Clerk has not yet accepted or endorsed the submissions. I will circulate the clerk-endorsed copies in this same thread when they are returned.

Plaintiff respectfully requests that Calendar 5 advise whether the Court can hear the filed emergency motion at its earliest available emergency slot—preferably on August 12, 13, or 14, 2026—and, if so, at what time and by what remote credentials.

The request is emergency in substance, not merely in caption.

On August 7, chambers expressly directed that both August 11 matters would be conducted at 9:30 a.m. The order subsequently prepared by Mr. Sharma nevertheless recites that the Court waited until 10:10 a.m. for a 10:00 a.m. motion call. Forty-eight minutes later, at 10:58 a.m., Mr. Sharma transmitted a proposed order containing a new dismissal-for-want-of-prosecution condition.

That proposed condition omitted that Plaintiff had personally noticed the motion for the exact setting, had filed the Motion for Leave to Amend nineteen days earlier, had tendered a complete amended complaint and alias-summons order, and had continued prosecuting this action throughout the intervening period. Counsel had those materials. Their client had taken no position on the motion. Yet the proposed order transformed one missed appearance into a potential adjudicative weapon while leaving the pending motion and unissued summons untouched.

The emergency motion also presents the Court with a documented institutional conflict requiring prompt examination. Lake County's warrant record identifies the Lincolnshire Police Department as the issuing agency. Ancel Glink partner Adam B. Simon is Lincolnshire's Village Attorney. Lincolnshire separately disclaimed involvement in writing. The filed record presently identifies no validation request, correction request, recall request, or other documented effort through that direct municipal channel before Ancel Glink used Plaintiff's resulting nonappearance to seek a dismissal condition.

Counsel found forty-eight minutes to draft a mechanism threatening dismissal. The record identifies no time during the warrant's seventy-five active days for one documented validation inquiry through their own partner and municipal client. That contrast is not rhetoric. It is the documented conduct the emergency motion places before the Court.

Every affected attorney is copied. Counsel will have a full opportunity to answer the motion on the record. What should not occur is for paragraph 5 to remain operative until September 2 while the alias summons remains unissued, the Motion for Leave remains undecided, the conflict questions remain unanswered, and potentially responsive records remain subject to ordinary deletion or retention practices.

Plaintiff is not requesting a merits ruling by email. He requests only administrative confirmation of receipt and direction concerning the earliest emergency hearing. If the Court prefers a limited threshold presentation, Plaintiff is prepared initially to address only:

1. vacatur or suspension of the dismissal-for-want-of-prosecution condition;
2. preservation of the identified records; and
3. verified conflict disclosures, with disqualification and the remaining relief reserved for further hearing.

Document 06, the Litigation Hold and Conflict-Disclosure Demand, is not attached to this chambers transmission because it is being served separately and directly upon counsel, consistent with the filed Notice.

Please confirm receipt and advise whether Calendar 5 can accommodate the emergency presentation on or before August 14, 2026.

Respectfully,

Ehab Allababidi

NOTICE OF REJECTION, APPELLATE COURT — SECOND DISTRICT, AUGUST 7, 2026 — AN ILLUSTRATION OF THE CONSEQUENCE OF AN UNWRITTEN DISPOSITION

WHAT THIS EXHIBIT ESTABLISHES

Produced for one narrow purpose stated in Part II: to show this Court, from a different court’s file, what happens to a litigant when a document is disposed of without an order being entered.

VISIBLE ON THE FACE OF THE DOCUMENT

- Submitted 8/6/2026 11:31 AM CST. Refused 8/7/2026 12:15 p.m. Rejection Comments, entire: “See order of 8/7.”
- **No order issued on the refusal.** There is nothing in that appeal’s docket to appeal from, to reconsider, or to attach to a petition for supervisory relief.

HOW THIS EXHIBIT FITS THE RECORD

It is furnished as an illustration of a mechanism. This motion exists precisely so that the same thing does not happen in this cause.
